This INVISTA brand approval is valid only on styles that remain unchanged from the original sample submitted. Any changes to the style such as fiber content, finish changes or any other alterations will void this certification for this style. Altered samples will need to be re-tested. Fabric brands which expire will need to be re-tested upon expiration to remain valid. INVISTA Reserves the right to revoke this Brand Approval if it determines it is being used for any unauthorized purpose including verifying altered or unapproved fabric samples.
